## CHILD SPONSORSHIP SCHEME

### Full list of children seeking sponsorship updated January 2012

#

#### **Background**

With generous support from people like you, we have been able to place nearly 100 deserving children into full-time education. All of the children listed below are from desperately poor families and are considered by our panel of local trustees and teachers to be diligent and gifted students.

The children are chosen from two distinctive areas in Ghana, the rural communities of Assin Endwa and its neighbouring villages (Bands 1 & 2), and the urban shanty of Kotobabi in Accra (Bands 3 & 4).

#### **Note on Banding**

The children are placed into price bands that reflect their age, level of development and the location of the school. A full breakdown of costs is shown in the table at the end of this document.
