CHILD SPONSORSHIP SCHEME

Full list of children seeking sponsorship updated May 2010

Background

With generous support from people like you, we have been able to place more than 80 deserving children into full-time education. All of the children listed below are from desperately poor families and are considered by our panel of local trustees and teachers to be diligent and gifted students.

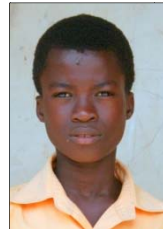

The children are chosen from two distinctive areas in Ghana, the rural community of Assin Endwa and its neighbouring villages (Bands 1, 2 & 3), and the urban shanty of Kotobabi on the outskirts of Accra (Bands 4, 5 & 6).

Note on Banding

The children have been placed into price bands which reflect their age, level of development and the location of the school. A full breakdown of costs is shown in the table at the end of this document.
